

FINANCE PROFESSIONALS

An exciting opportunity exists for accounting professionals to join one of Indonesia's leading coal mining producers, PT Bayan Resources, Tbk ("Bayan"). We are a public company listed on the Indonesian Stock Exchange with a market capitalization in excess of USD \$6 billion. Coal production of 11.8 million tons was achieved in 2010 with significant expansion planned in coming years. We currently employ more than 3,000 people over our six mining operations and the group consists of over 25 companies.

We are looking for professionals in the following areas:

- **Financial Controller**
- **Internal Accounting Manager / Assistant Manager**
- **External Reporting Manager / Assistant Manager**
- **Internal Consolidation Manager / Assistant Manager**

Bayan is seeking to employ a number of experienced accounting professionals who will be based in Jakarta. The successful candidates will have a demonstrated track record in their respective fields. Preferably initially, with a top tier international accounting firm and then within listed companies. A strong technical knowledge of IFRS with a knowledge of Indonesian regulation and language preferred but not essential.

The Bayan Group offers a competitive remuneration package. The strong growth prospects of the Group offer successful candidates a challenging and rewarding career path.
